Deliverance From Spiritual Prisons

- The Prayer -

The “demonic prison” which is a spiritual prison, is a curse where one has been found under. Contrary to demon possession where someone finds himself doing the same mistakes over and over again, the spiritual prison is a state, or situation, where things happen over and over to the same person. He can’t control it, he would like to be free, but he can’t help it; it just has to happen.

Just because we are able to walk freely and go wherever we want doesn’t make us free people. Our spirit can be trapped in a prison that will follow us wherever we go. The prison represents the curse brought upon us through a certain type of sin, and we will never be able to break it up until we call upon the Name of the Lord.

But, before we call upon the Lord, we have to be aware of the fact that we are in prisons, and before going that way, we have to learn how to know and identify a spiritual prison.

How To Identify A Spiritual Prison

Sometimes we have some weird stories that follow some particular families. Either they die at a certain age from a certain disease, or from generation to generation all their family members have remained poor, in failure and so on.

These stories are real and can follow that particular family members from generation to generation until Christ intervenes. The more they ignore it, the more they will suffer from it. Such types of symptoms are characteristics of a curse under a spiritual prison.

In order to break up the curse of a spiritual prison, we need to go to the source that brought the curse upon us, we need to find the alliance where the curse came from.

As we sin all the time, we really don’t care about what we do, but some sins are considered as alliances or contracts between the evil spirits and us. So the sin will drive us to have an alliance through which the evil spirits will bring a curse in our lives and send us into a spiritual prison. Therefore we also have to do our best to avoid these types of sins that cause us to be in those prisons.

Types Of Sins Considered As An Alliance

Since the alliance comes through sin, we remain responsible for the situation. The consequence of an alliance might remain in our sons’ generation just because it is the same as signing a marriage license with the evil spirits, but at that time, you can’t decide about the divorce, only The Lord Jesus Christ can set you free.

The most dangerous one is the blood alliance; some gang or sectarian initiations that require a drop of your blood. We might think that it is a joke or a proof of our manhood, but in fact that’s where the Devil comes to sign a blood alliance with someone.

Also at night, someone might dream about having sex with someone; kind of having a wet dream where it really feels like the real deal. These dreams are not natural; they represent a relationship that a nighttime spirit is having with him. It’s a type of spirit that comes in one’s life, and becomes like a wife or husband to him. Then the spirit will establish himself as a mate and will kill whoever tries to have a physical relationship with the individual. So, if the alliance is not broken in the Name of Jesus Christ, the spirit will stay and the dreams will become more and more realistic.

Moreover, some worldly fashions can easily drive us into having alliances. The more we think we’re just having fun and keep on thinking that it’s no big deal, the more we will keep on piling up alliances.

Is it a secret to know that whoever follows this world will perish with it? It is said in 1 John 2: 15 (NKJV), “Do not love the world or the things in the world. If anyone loves the world, the love of the Father is not in him.”

Let’s consider the tattoo for example; we think it’s fun and it’s no big deal, but the spiritual damage is real. It is also written in
**Leviticus 19:28 (NKJV),** “You shall not make any cuttings in your flesh for the dead, nor tat-
too any marks on you: I am the LORD.”

We all want to serve God the easy and fun way, but the truth is that it’s not meant to be easy, but it’s going to be worth it.

The good news is that the Name of Jesus Christ gives us the power to break up any alliance getting us into a spiritual prison.

**Prayer of deliverance from spiritual prisons**

(Out loud)

Lord Jesus Christ, Prince of Peace, thank You for dying on the cross for my sins, and thank You for giving me a chance to renew my engagement with You.

Today I surrender to You and I give You my soul, my spirit and my body. Please forgive me of my sins and use me according to Your will. I also forgive anyone who has sinned against me or offended me.

Lord, today, in Your Name, Jesus Christ, I destroy any bond, link or alliance between evil spirits, I and any other member of my family, I reject and break up the bars of (name the spiritual prison), I cover it up with the precious Blood of Christ and I receive my freedom now in the Name of Jesus Christ. I reject and rebuke every demon and every curse that came along with the alliances, now and forever in the Name of Jesus Christ.

I command all the demons linked up to the alliances, to take all their baggage, all their belongings, all their subordinates (or subjects) and everything else that came along with them; and get out of my life, my family’s life, my body and everything else that God has blessed me with; now in the Name of Jesus Christ. Be cast into the abyss and stay there forever in the Name of Jesus Christ.

Lord I thank You, I adore You and I’ve prayed in the Name of Jesus Christ. Amen!

**Some spiritual prisons:** Prison of nighttime wife (or husband), of death (by heart attack, suicide, diabetes, etc.), of homelessness, of poverty, of bad relationships and so on.

**Conclusion**

The name of the spiritual prison goes with the curse, for example if somebody’s family members die at the age of 35 from heart attack, the spiritual prison will be “death by heart attack at the age of 35”.

Some alliances have been made by our grand parents, so we would be suffering under a curse that they left upon us. Still, the prayer can set us free. Since we have prayer in our side, we don’t have to let ourselves be destroyed by the enemy anymore.

The lack of knowledge is not an excuse, we are dying because of it. **Hosea 4: 6 (NKJV),** “My people are destroyed for lack of knowledge.” But now that we know, we are not supposed to let it go as it was.

Let God reveal you the rest of the list and do not take too long to apply the prayer in your life. Victory is yours, but you have to go and get it.

**God Bless You.**
